

RAS Town - a project tailor-made for home seekers who aspire to elevate their lifestyle, with a close proximity to the city life.

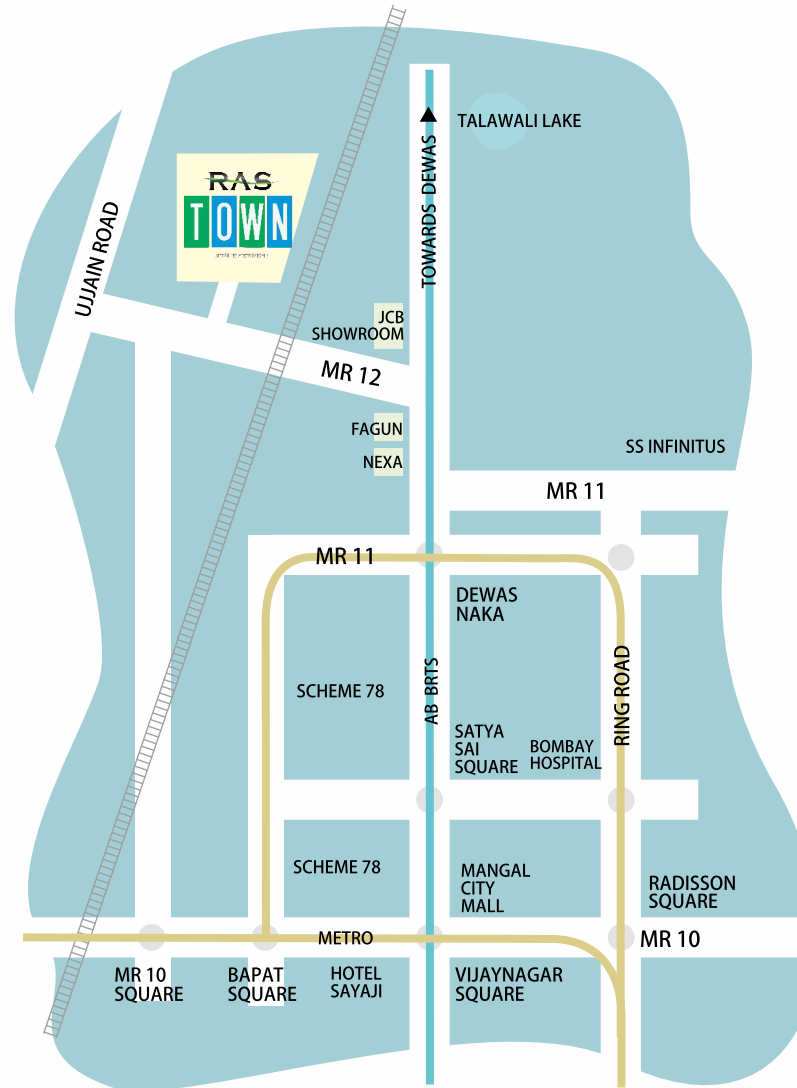

Developed by the esteemed RAS Intrastate, a firm with a rich history dating back to its establishment in 1985 and boasting five successful projects, RAS Town is a testament to their commitment to excellence.

The Township is designed with the well-being of its residents in mind, offering an impressive 60% of open space that ensures a refreshing and spacious environment. The development comprises seven towering structures, each meticulously constructed with six floors, creating thoughtfully designed living spaces. RAS Town is already a home to more than 300 families and the community is thriving with a significant number of residents being added day by day.

AN ALL-IMPORTANT LOCATION FOR CONVENIENCE

RAS Town is situated close to the hub of economic activity in Indore. It is a short distance away from many commercial outlets and prominent malls. The Township offers excellent connectivity to all major parts of the city.

Project approved by leading banks.
